The Castellan

1953

FOREWORD

The past year, we trust, has been a memorable one, in new experiences, new acquaintances, and acquired knowledge here at St. Mary's Seminary Junior College.

Through the medium of this book we are endeavoring to record some of these outstanding experiences for you, and if this Castellan has captured just a little of the spirit of our past year at St. Mary's, we feel it will be a success.

Dedication

To Miss Claire V. Stickney, we the graduates of 1952-53 dedicate this issue of the Castellan.

Miss Stickney received her early education at Notre Dame de la Compassion, Hauteville et St. Dennis, France, and she has done graduate study at the University of Havana. Needless to say, her studies abroad have equipped her with a knowledge of the people and customs of these foreign countries as well as their language. She has also done graduate work in the United States at the Catholic University in Washington, D. C., and at Middlebury College in Vermont.

In addition to being an excellent teacher, Miss Stickney has shown her students the more social side of foreign countries through her able sponsoring of the French Club. This French Club, through Miss Stickney's leadership, has given many enjoyable picnics for its members as well as an annual dance which is looked forward to by all the students. She also presides over the French table in the Dining Hall and through her work as a teacher and a friend, Miss Stickney has fostered an active interest in languages.

Throughout her many years at St. Mary's, Miss Stickney has always been known to support and uphold the traditions of our college.

We, the students of St. Mary's Seminary Junior College, would like to say, "Merci Beaucoup, Mademoiselle Stickney."

Seniors

ROBERT ADAMS "Bob"
"He does it with better grace but I do it more natural."

Friendly and easy going with a beautiful voice, Bob has sung at many of the assemblies at SMS and with the Choir on some of its local performances. It seems to us that one of his favorites could very well be "Every Day is Ladies Day With Me".

LEE BRECKENRIDGE "Lee Pee"
Treasurer
"The gentleness of all the Gods go with thee."
Choir 3; A.A. Board 4; Signal News Production Manager 4; Castellan Staff 4; Library Assistant 4; Bowling Team 4.

In her quiet way, Lee has endeared herself to the hearts of many of us at SMS. She has been the best Treasurer a class could ever have because no one could ever refuse her. Wedding bells will ring for Lee soon after a young soldier comes back from the war--the best of luck as a future housekeeper, Lee!

JOAN PATRICIA COOK "Cookie"
"They are able to accomplish anything they take in hand because they seem to have the power necessary for doing so."
A.A. Board 2, Treasurer 3, Pres. 4; Varsity Softball 1,2,3,4; Varsity Basketball 2,3 4; Varsity Hockey 2,3,4; Varsity Volleyball 4; Choir 1,2; French Club 1, Treasurer 2, Pres. 3; Council 1, Treasurer 3,4; May Day 1,2; May Princess 3,4; Home Ec. Club 2; Samadra 1,2, Pres. 4; Assembly Committee 2; King's Daughters Committee 3; Orientation Committee 2, 3; Castellan Staff 2,3; Signal News 3,4; Class Treasurer 3.

With a quick smile and a twinkle in her eye, Cookie has gone her busy way doing a great job in the field of athletics and in the many organizations to which she belongs.

VIRGINIA ANN DAVIS "Ginny"
President

"Good nature and good sense must ever join. To err is human; to forgive, divine."
Varsity Basketball 3,4; Varsity Volleyball 4; Signal News Staff 3; Home Ec. Club V. P. 4; A.A. Board Sec. 4; May Day 3,4; Castellan Staff 3,4; Council 4.

Ginny has her own brand of sublte humor which never fails to bring forth a laugh from those near her. She doesn't believe in crossing any bridges before she gets to them, a trait which has enabled her to hold down several important positions here with ease. SMS is going to miss you, Ginny Davis!

PATRICIA LOUISE FISHER "Patty"
"The grand essentials to happiness in this life are something to do, something to love, and something to hope for."
Council V. P. 3, Pres. 4; Home Ec. Club 3; Choir 3,4; Samadra 3; FTA Sec. 3; A.A. Board 3,4; Social Committee 3; Castellan 3; Signal News 3; King's Daughters Committee Chairman 4; Fall Play 3; May Court 3; May Princess 4; Orientation Committee 4; Current Events Club 3.

Patty is just the finest kind. She is the sort of person you can take your troubles to, for she will always understand and try to help. This understanding and insight has helped make Patty one of the best Student Council Presidents SMS has ever had. Home Ec. is her specialty and she plans to further her study at the University of Maryland next year. Here is wishing Patty the very best of everything in life, for she deserves it.

TOMMY RAY GARDENER "Bing"
"Not love thy life, nor hate; but what they liv'st, live well."

As one of the two male members of the Senior Class, Bing has managed to liven up many an hour in the Smoker and in the classroom. If his two years at SMS have made him a little philosophic on the subject of women, we can well understand and sympathize. Next year Bing plans to continue his studies at George Washington University.

MARGARET OWEN GOLDSBOROUGH "Marnie"
"The truly brave are soft of hearts and eyes and feel for what their duty bids them do."
Current Events Club 3; Social Committee 3; A. A. Board 3, V. P. 4; Hockey Varsity 2,3,4; Home Ec. Club 2,3; Choir 2,3,4; Court 3,4; Class V. P. 3; Council V. P. 4; May Day 3,4; Orientation Committee 3, 4.

Marnie came to us three years ago via the Eastern Shore. She can feel at home anywhere there is a rebel flag in view and a fellow Eastern Shoreman in sight. During her stay at SMS, Marnie's mastery of words and wit brought her many friends. Studies have never been a worry to this Sem Fem, and with her sound judgment of people and eagerness to help others she is bound to be a success.

ELIZABETH ANN PASS "Bettie"
Secretary

"The game of life is looked cheerfully on when one carries in one's heart the inalienable treasure of love."

Home Ec. Club Treasurer 3, Pres. 4; Visual Aids Committee Chairman 4; Signal News, Editor 4, Production Manager 4; Social Committee 3; Library Committee 3,4; Class Sec. 3; Court 4; A.A. 4; May Day 3.

Bettie is a capable lass who gets things done quietly and efficiently. She has a great sense of humor and a trick of saying the wrong thing at the right time. Bettie also has a good deal of common sense and can always be counted on to see things in their perspective--unless, of course, you get her Irish temper up. In June of '54 Bettie will become an Army wife and who knows but what she'll be the General's Lady some day!

BETTE JEANNE SACHSE "B. J."

"Let's have an Utopia Free from worry, free from care."

Choir 3,4; Plant Committee Chairman 3; Council 3; Class Pres. 3; A.A. 3; May Court 4; May Day 3; Orientation Committee 4; Social Committee Chairman 4; Castellan Editor 4.

A lazy grin, long legs, and an intense desire to hit the sack are B. J. A convincing talker, B. J. has contrived to talk herself in and out of more scrapes than any of her less silver-tongued school mates, She intends to put this ability to good use in the field of law; one smile and she'll have the judge wrapped around her little finger.

I, BETTE JEANNE SACHSE, will my "pee wee" bulletin board to my lil' sis, Ann Harwood Watson, my enthusiasm for weekends to Faye Seifert, and the cluttered nature of the space under my bed to Carolyn Lewis.

ANN TERHUNE DOYLE "Suie"
"Humor is the drug which it's the fashion to abuse."
" "Suie" is the gal who has a humorous remark for just about everything. You can always be sure that if there is a party she will be there. But there is one thing that Suie takes seriously and that is her plans to be a Navy wife. Anchors Aweigh!

CAROL DUNBAR "Carol"
"Music, the one thing of the world that I love most."
A song, a tennis racket, and--most important--a friendly smile are the things we will remember most when Carol graduates. A Rosemary Clooney fan and record collector, Carol always has the latest disk of the Hit Parade.

Iris is one of our Eastern Sho' girls. Her good sense of humor has won her many friends at S. M. S. If you hear laughter you know Iris is around. She plans to take Nurses Training next year. Although Iris is on this side of the Atlantic, her heart is on Germany with a certain soldier.

HOLLY HOLLISTER

PATRICIA ANN MYERS "Pat"
"Man is not the creature of circumstances, circumstances are the creatures of men."
Cheerleading 2; Home Ec. 2; Softball 2; Bowling 2.

Pat can be found most anytime in the Smoker playing bridge or talking about her various escapades. Many of the girls in the dorm marvel at now she manages to get to breakfast on time. We all hope she will come back next year and give us lessons but rumor has it that she will be starting a secretarial career.

SARAH PARROTT "Tay"
"Blest with temper whose unclouded ray can make tomorrow as cheerful as to-day!"
Choir 1; Cheerleader 1; Fall Play 1; Athletic Association 1.

JAMES ROSEBERRY "Jay"
"Gather ye rosebuds while you may."

Jay is known for her southern accent and his reputation for being late for English class. His favorite play must be Romeo and Juliet. Jay has done extensive writing and was feature editor of S. M. Junior Class

Top: Miss Truxal, sponsor; Christine Frazer, president. Bottom: Diane Barnes, treasurer, Doris Clough, vice president.

Headed by Chris Frazer as president, the Junior class had an active year in 1952-53. Other class officers were Doris Clough, vice president, Jean Fleming, secretary, and Diane Barnes, treasurer. Class sponsor was Miss Truxal.

Chief activity for Juniors was the co-planning of the graduation prom with the Sophomores. To win money for this dance, Junior class members raffled off a cake--with highly profitable results. At other times in the year the class served tea and cookies during exam week, decorated a table at the A.A. banquet, and as a final obligation arose at six o'clock in the morning on June 6 to pick daisies for the Class Day exercises.

Freshman Class

The Freshman class chose as their president Linda Lou Long; vice president, Sally Mayonado; secretary, Barbara Melocik; treasurer, first semester, Dora Anne Shierholtz, second semester Ann Watson. Miss Stallings was class sponsor.

These active Freshmen organized intramural hockey, basketball, and bowling teams, and won the high school championships in basketball and bowling. They also won the Speech Arts Contest in May with the skit "My Double and How He Undid Himself." And as a climax to a very succesful year, the class was represented by five members in the new Executive Board of the A.A. at the annual spring banquet.

In Memorium

In memory of Dora Ann Schierholz, we the students of St. Mary's Seminary Junior College would like to dedicate this page of the 1952-53 Castellan.

We shall always remember the sweetness and friendliness of our departed friend. Although we knew her for such a short time, her contribution to our lives and the many, many pleasant memories shall linger in our hearts always.

In life no finer friend; in death no fonder memories.

Second row: Miss Hicks, C. Black, F. Seifert, B. J. Whittington, M. Slingluff.

Student Government

The Student Council, under the leadership of Patty Fisher, had a very successful year.

Early in the semester council members were active in orienting the students into the way of life at St. Mary's. During the year they sponsored a number of assemblies, the outstanding example being the Christmas program.

S.G.A. also sponsored the May Prom following the May Day dance program. The couples danced under the sky of romantic Paris, and in the shadow of the Eiffel Tower. After the Prom a most successful social hour was held in the Smoker.

The Student Council, in order to place more meaning on our honor system, made a revision to the Constitution of S.G.A. in 1953. The major changes were the establishment of an Honor Court, the changing of court to House Committee, and the reclassifying of the duties of each body.

Joint Advisors: Miss Clutts, Miss Hicks. Left to right: M. Goldsborough, vice president; C. Frazer, secretary; P. Fisher, president; B. VanDevanter, treasurer.

Goldsborough, P. Fisher.

This year was an outstanding one for the Seminary Choir. Under the direction of Miss Jean McDougall, and accompanied by Sue Shower, the group gave a wide variety of programs throughout the county and state.

A nativity pageant, "Adeste Fideles." and the annual Carol Festival were presented in the Music Hall and gymnasium at Christmas time, and in March the choir toured for three days in the Baltimore area, visiting seven schools.

Two innovations for the Seminary choir this year were the Choral Clinic, held on campus and attended by three community choirs, and the Music Follies, highlighted by a hilarious Overture, and a series of interpretations of "Jack and Jill."

Athletic Association

The Athletic Association is an organization designed to promote athletic competition and to increase class spirit and loyalty toward the school.

In line with the practical administration of these aims, the A. A. sponsors numerous dances for the student body during the year as well as many fund raising benefits for the welfare of the school as a whole.

The A. A. has an extensive sports program and plans all varsity as well as intramural sports.

The governing body of the organization is the Board, for which any member of the association is eligible. The Board consists of president, vice president, secretary, and treasurer, as well as a manager for each of the sports participated in during the school year.

Home Economics

The Home Economics Club met in the Home Ec. cottage, with Miss Barnes as their sponsor. Bettie Pass presided over the meetings with the able assistance of Ginny Davis as vice president. Carolyn Lewis was secretary, and Scotty Booth capably managed the funds. The club's activities during the year included the Halloween party and the Silver Tea, and the sponsoring of snack breakfasts. The year ended with a gala picnic.

Signal News

Following the summer break the SIGNAL NEWS staff returned to the halls of S.M.S. a little green but enthusiastic. With the new editor, Bettie Pass, and the staff, the activities were given more publicity than ever before. The Signal News survived various difficulties in the first semester, with the staff learning by experience. The editor for the spring semester was Liz Dallam, who gained much by applying her journalism directly to newspaper production. We want to thank Miss Truxal and the staff for what they have accomplished for the SIGNAL NEWS and S.M.S.

STANDING: Miss Elliot. 1ST ROW: B. Melocik, B. Harbold. 2ND ROW: D. Enniss, M. H. Ward, M. Holman, M. Tripp.

Samadra

Samadra stands for Saint Mary's Dramatics. It is the governing body of all dramatic activities which take part during the school year. The club sponsors the first school play; this year it was HURRICANE ISLAND. Later on, Samadra helps with the Christmas Pageant and THE BIRTH OF TOLERANCE, and also sponsors a dance with the Art Club.

Samadra members handle make-up, props, scenery, and prompting, and -- most important of all -- run errands during production times. "Acting ability isn't necessary in order to belong to Samadra," to quote Miss Elliott, the club sponsor. "All that is needed is an ability to work hard."

Art

The Art Club, under their able sponsor, Miss Harms, promoted numerous activities. Soap sculpture, leather work (such as making wallets), clay modelling, and all types of sketching kept the girls occupied during the year. The Art Club, together with Samadra, sponsored one of the most successful informal dances during the school year. The club plans in the future to make field trips to the various art galleries in the Washington area. They also will make sketching trips to the waterfronts.

SEATED: R. Ensor, M. L. Gray, P. Chandler, P. Childs, C. Frazer. STANDING: Miss Harms. Posing: T. Parrott.

Court

Left to right: M. Goldsborough, M. Slingluff, M. L. Gray, S. Shugart, Miss Clutts, C. Lewis, B. Pass.

The year 1952-1953 was successful for the Court of the Student Government Association. Marnie Goldsborough, vice-president of S. G. A., served as judge. The rest of Court was made up of permanent members representing the classes, two rotating members who served for three week intervals, one rotating faculty member and the advisor, Miss Clutts.

The court saw that rules were upheld and dealt with all infringements in a way to help the individuals develop good school habits.

During the last six weeks of school, Court worked with other branches of S. G. A. to effectively establish the changes in Student Government, making it a more important body than it had been previously.

Current Events

Flash!!! What will the length of our skirts be this fall? What effect does the H-bomb have on the future? All these topics are discussed weekly in the Current Events club under the supervision of Miss Clutts. The club also sponsored a debate and mock election in the fall. Ann Slusser was the president and directed the club activities.

F. N. A.

This year was the first for the Future Nurses of America and it proved a very successful one. Miss Chance was the club advisor and the president was Florence Hiser. The girls took a field trip to Doctors Hospital in Washington, D. C., and it proved to be an educational as well as an enjoyable experience.

Entre Nous

Under the guidance of Miss Stickney and the club president Shirley Shugart the French club met once a month. The girls got practice in their French conversation and also learned French songs. Later in the year, the club presented a radio broadcast in which all members participated.

This year volleyball was a varsity sport and the team played in a tournament at Majorie Webster. It was also played at S. M. S. as an intramural sport and the highlight of the season was a game between the faculty and the winner of the class tournaments. It proved to be a terrific game and the students won, of course!

Softball

Softball, one of the sports sponsored by the A. A. for intramurals, had one of its greatest seasons in '52-'53. The highlight of the season was the annual Army-Navy game, which was won by Navy. The teams are picked from members of the varsity and junior varsity squads.

Cheerleaders

Always there to cheer on and pep up the varsity teams are our smiling cheerleaders. These four gals are ever ready supporting the teams with their rousing yells and songs. No game would be complete without them on the sidelines.

Faye Seifert, Sue Cetnarowski, and Mary Holman.

Hurricane Island

Samadra's annual fall production for 1952 was "HURRICANE ISLAND," a children's theatre presentation directed by Miss Elliott. The plot concerned Pilgrim, a small boy, played by Peggy Gillespie, and his gradual acceptance on Hurricane Island by Madame Vandeevender, played by Linda Lou Long, and her two children, Sue Cetnarowski and Faye Seifert. Other members of the cast included Tay Parrott as Gypsy Joe, and Mary Holman as The Captain. An unusual feature of "HURRICANE ISLAND" was the "working set," which boasted a house, an alarm bell, a windmill that pumped, and a real hurricane complete with wind and storm effects.

Birth of Tolerance Pageant

The Calverts and the party of Pilgrims arrive on the shores of Mary's Land led by Father White. The settlers are greeted by Chief Werowance. The friendly Indians give the settlers gifts of corn and fowl.

This is the Calvert drawing room where plans are proposed for the settlement of Mary's Land. Toasts are being made by the Calverts to the success of the journey and to the settlement of the new land.

Margaret Brent pleads for the right for women to vote. She is voicing her opinions before the Governor and Council of the colony.

Left to right: L. Buckler, G. Harbold, E. Petalis, J. Stroud, B. Melocik, G. M. Ellis.

Christmas Pageant

This year's Christmas Pageant was done to the tempo of music. The College Choir under the direction of Miss McDougall furnished the music while the cast under the direction of Miss Elliott adeptly presented the story of the birth of Christ. Over half of the school was in the cast while the remainder served on the technical staff. One performance was given, followed by the Christmas Choir Festival. This was held in the Gym by candlelight where we were host to several neighboring community choirs.

May Queen Joan Cook was crowned by Admiral Pride on May 9. Her Court consisted of two Senior princesses, Patty Fisher and B. J. Sachse; one Junior princess, Doris Clough; two Sophomore princesses, Patricia Chandler and Florence Hiser; and one Freshman princess, Faye Seifert. Peggy Booth was Maid of Honor, being our representative to the Shenendoah Apple Blossom Festival. The Queen's attendants were Jean and Jill Meyers as train bearers and Christopher Lepper as crown bearer.

"The Sleeping Beauty" was the theme of the modern dance program. It was presented to the Queen and her Court and the audience as a dance interpretation of the classic fairy tale. The soloists were Sue Cetnarwoski as the Princess Aurora and Cheron Black as the Prince. The modern dance classes made up the rest of the cast and Barbara VanDevanter was the announcer for the entire program.

The Castellan

In our earnest efforts to give you a bigger and -- we hope -- better yearbook, the Castellan staff stubbed its toe on several treacherous deadlines and missed its hoped-for delivery date. But we sincerely hope your copy will seem the more precious to you, reflecting as it does the life of the Seminary in both its rush hours and its leisure. B. J. Sachse was editor-in-chief of the '53 Castellan staff; Florence Atkinson, assistant editor; Gail Harbold, layout, and Pat Chandler, assistant; Lee Breckendridge, business manager; Barbara Van Devanter, photography; Sue Cetnarowski, copy; Virginia Davis, typist.
